

JHF was invited to speak at Kenya Urban Development Workshop

JHF was invited to speak at Kenya Urban Development Workshop for building cities with quality infrastructure investment principles sponsored by the World Bank, which was held on March 3, 2020 in Nairobi, Kenya.

An officer of JHF delivered a speech regarding quality housing promotion through the housing finance system in which JHF supports consumers to purchase/build houses that satisfy high construction technical standards in terms of energy efficiency, earthquake resilience, comfortability for the elderly and durability and flexibility.
